Sub-Recipient Monitoring Form
A-133 Audit Requirement

OMB Circular A-133 sets forth standards for obtaining consistency and uniformity among Federal Agencies for the audit of states, local governments and non-profit organizations expending federal awards.

A-133, Sub part B, section 200 stipulates that non-federal entities that expend more than \$500,000 or more in a year in Federal awards must have a single or program specific audit conducted for that year in accordance with the provision set forth in this part.

A Federal award means Federal Financial Assistance and Federal Cost-Reimbursement Contracts that non-federal entities receive directly from Federal awarding agencies or indirectly from pass-through entities. Federal awards do not include procurement contracts under grants or contracts used to buy goods or services from vendors.
